

Block Challenge - **Can you make it???**

We designed this block originally with the idea of using it as the QNE friendship block drawing but when pieced, we realized it would be a more difficult block to make than the usual block drawing blocks. However, many of you *are* seasoned quilters so we want you to show us your skills! Make the block any size you want. Put needles on the pines, glitter on the stars- whatever. Make sure to put your name on the unfinished block - somewhere. Drop it off when you register and we'll put it with the others on display. Pick up your own block on Saturday to take home and make into a memento of all the fun you had at QNE 2008!!
