Help! I can't find it by Sandi Griepenstroh

Is your sewing space such chaos that you can't find the things you need to work on among the clutter? Do you see the sewing studios in magazines and think, "I could never do that!" or "I wish my sewing room could be organized!" Do you wish that you could more effectively utilize the fabric that you have already purchased, or, even worse, stop buying duplicate rulers or tools because you forgot you already had that one? We have help!

Sandi Griepenstroh is an organizing marvel! She has literally been organizing since she was a child, and she loves nothing more than helping others with tips and tricks that she uses to keep her own sewing room organized and attractive so that she can keep the creative energy flowing and accomplish as much as possible in her space. Let her show you how she contains her scraps. She will also show you how Mari Kondo's tidying system revolutionized the way she approached her larger pieces of fabric, and Sandi can teach you how to fold and store your fabric so that you can actually use what you have! She will share tips on ruler organization, kit containment, patterns, and more. Don't miss it!

Friday 1:00 p.m. - 4:00 p.m. - 3 hr - \$35

Quilting Design Drawing Class - by Lora Kennedy, Farmland Quilting (a vendor)

Learn how to look at your quilt top with the express purpose of the quilting design in mind. Learn what questions to ask about custom vs edge to edge or a combination, batting, thread, even the quilting machine -- long arm, mid arm, domestic or hand.

We will draw, and redraw, on our way to the best design for your top.

Bring your quilt top and we will brainstorm quilting for your top!

Saturday 10:00 a.m. - 11:30 a.m. - 90 min. - \$25
