Peg Pennell

Peg Pennell is a native Nebraskan. While enjoying all aspects of working with textiles, she is particularly attracted to quilts as the medium for expressing herself.

Peg began quilting in the 1970's and has been teaching quilting skills to others for more than 25 years. She has won over 250 ribbons and awards, both locally and internationally, for her work. She enjoys teaching and sharing the joy of creating with others.

Much of Peg's work is inspired by nature and wildlife. She loves learning a new skill and relishes the challenge of creating with complex construction techniques. She embellishes many of her quilts with hand stitching and beading.

Peg works in many styles, loving the diversity quilting offers.
