BRAZILIAN EMBROIDERY: QUILT ON POINT

All Levels

Learn to create beautiful three-dimensional Brazilian Embroidery. Use a variety of rayon threads to add stunning color to this piece. Students will review the basic stitches of Brazilian Embroidery (stem stitch, couching stitch, French knots, lazy daisy, bullions and cast-ons), as well as buttonhole and detached buttonhole stitches. Placement of stitches to create different flowers will also be covered. Technical aspects of the stitches will be explained and demonstrated with tips and tricks shared with the students. The realistic flowers and foliage will look as if they are growing on your fabric! Kit will provide everything you need to get started. Finish off this sampler into a miniature quilt when you're done.

Supplies:

Small sewing scissors

6" embroidery hoop

Kit Fee: \$60.00

The kit provides everything you need for the project: print, instructions, prepared threads, assorted beads and doodle cloth.
