## Friday All Day Class

**FAD29**

**Susan Brown**

### **JELLY ROLLS & CAKE PANS—NO COOKING REQUIRED**

Beginner-Friendly

Jelly rolls and cake pans are taking over the quilt shops of Nebraska, but no cooking recipes are given. Join Sue Brown, a family consumer science home economist, for ideas of how to use the products in different kitchen projects: table covers, table toppers, table runners, hot pads, aprons, hot beverage holders, and many other ideas. Participants will select at least two to three different items to make during the workshop.

#### **Supplies:**

Sewing machine and extension cord

Rotary cutter and mat

6" square ruler

12-1/2" square ruler

Neutral thread

Basic sewing supplies

#### **Kit Fee: \$45.00**

Kit will include 1 jelly roll and matching 1 cake pan (layer cake) set.

Several different projects will be made from these materials.
