PANEL PIZZAZZ

Advanced Beginner to Advanced

This class will cover basic drafting principles to use in designing blocks and borders to enhance a purchased panel design. The students will spend the class drafting a design to graph paper. The students will be provided with a worksheet of common measurements and tricks to use in designing with basic shapes such as the square, half square triangle, rectangle, etc.

Supplies:

4 x 4 graph paper – at least 6 sheets 8 1/2 x 11 or a graph paper notebook

Colored pencils or small tip markers

A printed fabric panel of any size which you have purchased

Fabrics from your stash or that you have purchased that you think you might like to put with the panel.
