QUILT AS YOU GO PATCHWORK TABLE RUNNER

All Levels

This is a fast and easy make and take quilt-as-you-go project. Make one of these cheery table runners for each holiday or to match your décor. They also make great last-minute gifts.

Supplies:

10-15 different fabrics (variety of prints and solids, and some good contrasts), scraps or fat quarters. At least 6 fabrics must be at least 24" in width (1/8 yard cuts work well).

5/8 yard for back of table runner

1/2 yard Warm & Natural batting (45" wide)

1/4 yd fabric for binding (if you want to use this for one of your 24" fabrics, buy 3/8 yard)

Neutral thread and 2 filled bobbins of thread to match backing

Rotary cutter, mat and 6"x24" ruler

Fabric scissors

Seam ripper

Quilting safety pins and straight pins

Fabric marking pen or pencil for marking batting (fine-tip Sharpie recommended)

Sewing machine with 1/4 foot and extension cord
