Friday Afternoon Class

FPM44

Sharon Bohmont &

Paula Groteleuschen

LONE STAR DOILY

Confident Beginner to Advanced

This class uses the traditional strip method of construction to miniaturize the lone star pattern. Finished project is approximately 18" square.

Supplies:

5 fat quarters of different colors for star points

1 fat quarter for background

1 fat quarter for backing

20" x 20" thin batting

Rotary cutter, mat, 6"x12" with 45-degree line and 6"x6" ruler

Basic sewing supplies

Sewing machine and extension cord

Schmitz microtex 60/8 needle

DMC or Aurifil 50 thread
