

QuiltNebraska 2009

Friday Afternoon Class

FPM45

Gloria Smith

NICK'S QUILT

All Levels

This large throw quilt (64" x 80") has two different 16" blocks that are fun to sew. It would make a great graduation quilt, as the block centers can be personalized with signatures or photos. The quilt goes together so quickly, you won't be able to make just one!

Supplies:

Fabric: Choose your color palette, using 1, 2 or 3 color families. The quilt works best with a wide variety of

prints, prewashed and pressed:

1/3 yard cuts totaling about 7 yards

3/4 yard binding fabric (not needed for class)

4-3/4 yard backing fabric (not needed for class)

Sewing machine and extension cord

Coordinating threads

Rotary cutter, mat and ruler

Basic sewing supplies

(Hint.) To get an early start, you may want to precut the block centers: From assorted fabrics cut 10 squares that are 6.5" and cut 10 squares that are 4.5."
