

QuiltNebraska 2009

Saturday All Day Class

SAD55

Joan Waldman

IT'S A MYSTERY!

All Levels

Squares are used to make a mystery quilt. A traditional pattern is stitched using the clues provided in this class. There will be 5 clues to make this quilt. A good way to use up your scraps to create a wonderful quilt. The size can either be a throw or a full/queen size quilt. **Note:** All squares should be cut before class, as follows:

Clue 1: For a **throw-size quilt** cut:

96 5" squares light

48 5" squares medium

48 5" squares dark

For a **full/queen size quilt** cut:

240 5" squares light

120 5" squares medium

120 5" squares dark

Lights should all be of the same color family (i.e., tan, beige, off-white)

For mediums, use fabrics that look dark against lights and light against darks.

For darks, use fabrics of the same color family (i.e., blacks, blues, browns, etc.)

Supplies:

Sewing machine and extension cord

Neutral thread (gray recommended)

New needle (12/80)

Scissors to clip threads

Straight pins

Rotary cutter and mat

6" square ruler and 6"x12" ruler

Pencil
