

# QuiltNebraska 2009

## Saturday Afternoon Class

**SPM73**

**Peg Spradlin**

### **BEYOND STIPLING**

Intermediate (Students should be comfortable with free motion quilting)

If you're tired of using stippling as a background filler for your quilt, this is the class for you. A large variety of background stitches will be demonstrated and practiced, including grid work. Students will be encouraged to create their own background stitches.

#### **Supplies:**

Sewing machine with free motion capability

Free motion foot

Extension cord

18" x 18" practice quilt sandwich—muslin top is best

18" x 18" practice sandwich (muslin) with a ½" grid pattern premarked on the top

Pencil and pad for doodling

Variety of sizes and colors of threads and appropriate needles

Scissors for snipping threads
