President Report: Dee Acklie

Pres. Dee reported that the dates of the board meetings will be the following.

January-zoom

April-zoom

July-in person

October- in person (Change over meeting for incoming positions)

A Task Force for QNE was discussed, convention is being held in Kearney and contracts have been signed until 2026. It was also suggested to find a Site Selection Liaison, someone local to help out of town chairs.

Continue to update the website with statewide quilt information, QNE, By-laws, Policies and officer job descriptions. This should be the “go to” site the public can access to find information about quilting in the state.

Each board member was asked to record the duties that their position must fulfill, these will then be listed on the website.

Region I and II are open, needing filled by Sunday July 23, 2023 for annual board meeting at convention.

Dee adjourned the meeting.

The meeting ended at 12:30 p.m.

Respectfully submitted,

Leslie Martin Secretary 2022/2023
